The Friends of Topeka High Lunch in May featured dedications and tributes

A special Friends of Topeka High Lunch was held on May 1, 2017. 100 guests enjoyed lunch in the THS Student Cafeteria. Following lunch, everyone was invited to participate in the dedications of recently completed Topeka High projects.

Those projects included: refurbishing chandeliers in Rooms 306 and 103; a Sundial, gift from the Class of 1966; the THS Coat of Arms display case and replica; and a C.J. McKee memorial plaque.

The English Room, Room 306, captures the feel of an Elizabethan drawing room: stone fireplace, book cabinets, 6 wrought iron chandeliers, slate-like tile floor and a stage sporting a Gothic arch with florid capitals. Degginger Foundry restored the chandeliers to their original appearance. Linda Haughawout Lee (1966) and the Class of 1965 made this project possible.

The Social Room, Room 103, retains its original linoleum floor, a proscenium over its stage and 6 wrought iron chandeliers. As the name implies, the 1931 School Board President Chester Woodward visualized it as the high school's "living room" for small teas and entertainments to teach social conduct. Today it houses the Debate and Forensics classes. Degginger Foundry cleaned and painted the chandeliers to restore their original appearance. Donors for the project were Linda Haughawout Lee (1966), Andrew Reeves (1978), David Kensinger (1989), Rebecca Ihrle (1996), Patrick Dittamo (2009), Adam McCall and Karen Bellows.

The Class of 1966 celebrated their 50th reunion in the fall of 2016. The class commissioned Lardner

Monument to create a legacy gift in the form of a Bronze Sundial. It is centered on a granite pedestal with a Trojan Head and Tower included. The Latin phrase 'Tempus Fugit', which translates to 'Time Flies', is featured on the sundial. The compass points on the base include the words 'Choose your life direction wisely'. The sundial was added to THS Constitution Plaza on the east campus.

The original Topeka High Coat of Arms has been moved indoors and displayed in the school foyer. A replica of the 34" x 25" piece of art now takes its place over the front entrance. The school thanks artists Janet Zoble and Carlan Honaker for their preservation and replication expertise and handiwork. Project contributors were Douglass Wallace (1965) in memory of James D. and Harriet Johnson Wallace (1931), Michael Stimpert (1962) and the Class of 1954.

Honoring his father's memory, Dr. Michael McKee (1956) commissioned Degginger Foundry to create a C.J. McKee Memorial Plaque. It was installed in the second floor main hallway. C. J. McKee was a teacher at Topeka High and Director of Music for the Topeka Public Schools during the years 1942 – 1973.

A reception followed the dedications in the THS Hall of Fame Room. The THS Madrigals serenaded the crowd with several selections including the school song.

Valedictorian of the THS Class of 2017, **Emily Goodrow** plans to attend Emporia State University, major in premedicine and play college soccer. Emily's long term goals include joining the Peace Corps and eventually becoming

Help us get the word out about our mission to support Topeka High. Encourage a classmate or friend to join the THSHS. Consider giving a THSHS gift membership to a sibling or classmate for a birthday or holiday gift. You don't have to be a THS graduate to be a THSHS member. All who are interested in historic preservation are welcome. You can remit your dues by completing the form on page 7 of this newsletter or by going on-line (thsweb.org/alumni2) and renewing via PayPal.
